Great sized Family Home - 4 x 2 with easy care garden

A great sized family home in a popular location - plenty of room for all!

The kitchen is the hub of the home and a great place to be, central to everything. It has loads of bench space and storage with overhead cabinets and a good size pantry, stainless steel cooking appliances, gas hob and electric oven, dishwasher, a fridge recess which is oversize and a large island unit, all overlooking the open plan dining, family and entertainment/games areas. Floor to ceiling windows in this area allow filtered natural light through the white wooden venetian blinds and framing the lovely view into the large alfresco and beyond to the garden.

Double sliding doors from the games room create a natural flow to the alfresco which has a pitched patio, perfect for entertaining, and with cleverly placed timber screening provides additional privacy and shelter from the South Westerlies, allowing outdoor living no matter what the weather. On the other side of the screens is an expansive area for kids to play, all low maintenance artificial turf and plenty of room to add a pool if you desire.

The sides of the house are neatly paved and there are 2 good sized sheds being left to provide endless amounts of storage for all the toys, tools or camping gear!
